**Aloe Vera**

Cleopatra and the ancient Greek physicians hailed aloe as a miracle plant. Aloe Vera has been trusted for centuries to alleviate skin conditions of all kinds and to restore a radiant glow to the entire body. This treatment will soothe and nourish your skin as Aloe Vera is rich in nutrients such as Vitamin E & C leaving your body refreshed and renewed.

**Seaweed**

Seaweed captures the richness of the sea. Its potent antioxidants and cell regeneration properties helps restore youthful skin. This body wrap will gently purify and detoxify whilst promoting blood circulation and body toning.

## *Salon Treatments*

### **Dead Sea Mud**

Is an excellent choice if you are suffering with painful joints and muscles, old injuries, skin conditions and cellulite. It improves circulation and it will help tighten and tone the skin. This treatment will detoxify the body and mobilize stored toxins and eliminate them naturally.

## *Scrubs*

**Body Scrubs** 50mins \$70

### **Coffee**

This invigorating body scrub is a treat for all coffee lovers. Ground coffee and natural sugar with a blend of essential oils are carefully mixed together to create this natural scrub. The coffee tightens and rejuvenates the skin while the natural sugars gently exfoliate and the oils seal in the moisture leaving the skin amazingly smooth.

### **Pumpkin Pie**

Pumpkin is not only delicious but is so very good for the skin as well. It is an excellent source of beta – carotene and also contains a multitude of vitamins and minerals with strong antioxidant protection. This sugar scrub will gently exfoliate and revitalize your skin leaving it soft and healthy.

### **Island Fruit**

A blend of island fruit, natural oils and sugar is used to create this tropical fruit scrub. This scrub is uniquely formulated to enhance skin tone, detoxify the body and to help fight the signs of aging.

### **Lemon Salt Glow**

Sea salts, lemon zest and natural oils will be used to gently exfoliate the skin removing excess oils and residues of dirt and pollution from your skin surface, leaving your skin soft and supple with a natural glow.
